

Advisor Brief October 2,
2009

Hello,

Welcome October!!!

We are busily into the semester with a lot of things going on at once. Never a dull moment.

I have processed everyone's travel for December for both December Graduation and the Seattle Basketball game.

If you have any questions please let me know.

The S&A Fees committee is extremely busy trying to negotiate and conduct appropriate meetings to get the needed dollars on hand into use for the worthy groups. It has been extremely difficult in processing and understanding rules and regulations. We are working through it slowly. The Hearing will be November 5 and all the paperwork from groups is due October 30. The website should be complete now or will be by October 6. This is a huge job for all involved. Let's just hope that this type of budget does not happen again to WSU.

Tonight we will likely be asking for more monies from you and up for a vote to be added to our very own budget to submit to the S&A Fees Committee. There are a few dollars out there to be had and we can make use of them with some of the unforeseen expenses that have come about due...yes...to the initial budget from the get go. A vicious cycle.

Please take note that we are trying to maximize our budget dollars to make them usable for all of our students for activities.

I will be on annual leave October 12-26. Without a computer. Yikes. I will have my cell phone with me and will answer calls daily if there are any.

Take care.

Christina
