

Advisor Brief

September 14, 2009

Hi all,

Great time at the Seattle Football Event.

Thank you very much for all of your hard work at the event helping out with all facets. I commend you!

An update on S&A Fee progress will be soon, we are finding out a little more each day and it is taking quite a bit of time.

I have most of your travel done for December Grad and Seattle Basketball. Those of you who do not have it in you know who you are and I need that soon.

Please turn in your TEV's from Seattle Football soon in order to get reimbursed. Thank you.

We will be very busy the next several months as a senate unit. Get ready to work and to have fun also.

Talk to you Wednesday.
